

EDUCATION

B.E (CS E) - Sri Eshwar College of Engineering | **CGPA** :9.1 (upto 4 th sem)

HSC-Sasi Junior College | **96.62%**

SSLC-Sri Chaitanya Techno School | **98%**

2022-2026

2020-2022

2019-2020

INTERNSHIP

Full Stack - DevTown -2024

Applied FULL Stack expertise to develop secure APIs and implement database connections for user authentication in dynamic web applications. Collaborated within a team environment to gain practical experience with cutting-edge technologies.

Codecraft Winter Internship- RVTech-2024

implemented web applications using Django framework. Gain hands-on experience in building RESTful APIs, integrating with databases, and deploying web applications.

PROJECT

Smart Translator | Link

The smart translator supports translation across language, from English to Tami, Voice Recognition: Elevating user experience, integrated speech recognition capabilities transform spoken words into written text.

Tech stack: Django Framework,Figma,HTML,CSS,JS,MBart50

Driving Drowsiness Detection System| Link

By analyzing facial cues and driver behavior in real-time, this project aimed to enhance road safety and prevent accidents caused by drowsy driving incidents.

Tech stack: Python ,Computer Vision, Image processing.

Flux Chat | Link

Successfully developed and deployed a fully functional video chat application using Django, demonstrating proficiency in web development, real-time communication. This project aimed to provide users with a seamless and secure platform for conducting video calls.

Tech stack : Django Framework,HTML,CSS,JS.

Ecommerce website

Successfully Developed and deployed a fully functional E-commerce of online shoe website Leveraging my expertise in web development.

Tech stack : Django Framework,Bootstrap,HTML,CSS,JS.

Amazon Review Sentimental Analysis | Link

It is a python based project for scraping amazon product reviews and performing the sentimental analysis on them.

TechStack: Django Framework,Python
